Dear Car Show Participant,

For many years I have enjoyed your participation at the annual Bourne Manor Car Show. I was hoping to continue that tradition this year but as of February 6<sup>th</sup> after 14 years at Bourne Manor I took a new position as Director of Operations at Keystone Place at Buzzards Bay. I am hoping that you will help me begin a new tradition here at Keystone. I would like to invite you to participate in our celebration of Assisted Living week by joining us for our first annual car show on Wednesday September 13<sup>th</sup> from 5pm-7pm. Of course, the night will include the usual complimentary barbeque dinner for all to enjoy, music, goodie bags, and raffles. We are an independent, assisted living, and memory care community. The residents of our facility will really benefit from such an enjoyable evening. Please call or email me at my new contact information. I look forward to hearing from you.
